This year's divisional structure has not been easy to put together. Normally we would put 10 teams in Div 7 West and 12 in Div 8 West, but this couldn't be made to work. In order to rectify this for 2023, it is likely that more than 2 teams will be relegated from Div 7 West at the end of the 2022 season.

All divisions will have 18 fixtures per team, with the standard season running from Saturday 7th May to Saturday 3rd September.

I will start working on the fixtures in the next few days, so please contact me urgently if there are any problems with the above, or if anything has changed since you completed your season entry form. Fixtures will be available in mid-December.
